📍 Debrecen, Hungary

SUMMARY

I am currently a student at the University Of Debrecen studying Computer Science, I am really interested in the field of programming and software development. I am looking for opportunities to expand my experience in this field. Furthermore, I am really open to working on new projects and ideas as it would boost my skills and knowledge in this field.

EDUCATION

B.S. Computer Science
University of Debrecen

📅 2022 - 2025   📍 Debrecen, Hungary

- Took extra tuition in Probability & Statistics, Python Development, Calculus and Image Processing with C++
- Attended professional training weeks in the university

A-Levels
Kuwait National English School

📅 2021 - 2022   📍 Kuwait

O-Levels
Kuwait National English School

📅 2020 - 2021   📍 Kuwait

INTERESTS

Networking
Cisco Routers and Switches, LAN and WAN, firewalls, routing and switching.

Working with Operating Systems
I enjoy working with advanced operating systems and working with reading and writing in the system memory.
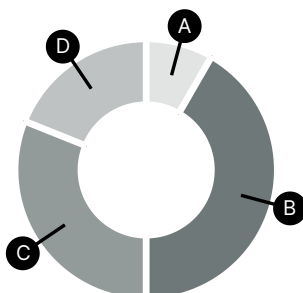

STRENGTHS

🌐 **Cross-Cultural Knowledge**
A global citizen, I have lived in the Middle East and Europe. I've learned to quickly recognize cultural expectations and establish communication.

🌐 **Language**
Always had passion to learn new languages. I am able to quickly grasp the basics of a language.

MY TIME

- A Swimming
- B Professional Gaming
- C Programming
- D Ethical Hacking

PROJECTS

Stopwatch
🔗 https://github.com/SHTOZO/Stopwatch
Simple stopwatch made in Java

- Enhanced Java proficiency and GUI development skills by completing {2} advanced projects.

Login System
🔗 https://github.com/SHTOZO/Login-System/
Login System made in Java, implements a GUI and saves the passwords locally

- Achieved a {25%} increase in application efficiency by redesigning Java classes and GUI layouts.

ADDITIONAL EXPERIENCE

Sales And Marketing Manager
INJAZ

📅 2019 - 2020   📍 Salmiya, Kuwait

Helping students build their own business
